What We Offer You

knowledgeworks
a valuepoint[®] company

What We Offer You

Translation

Any text, any language, any format – written with 100% domain expertise.

Multimedia & Voice Services

Subtitling, voice-overs, transcription, narrative recording.

Technical Writing

All end user, product, and service documentation, as well as marketing communications.

Internationalization

Readying products and services for *Localization*, including details such as the size of UI hardware labels or software menus, tool set compatibility, software data space needs, etc.

Localization

Acclimatizing and testing all aspects of a product or service, including language, time zones, money, local holidays, local color and image sensitivities, gender roles, geographic examples, etc.

Globalization

This is the combination of both *Internationalization* and *Localization*. Knowledgeworks domain experts ensures that a product or service looks and feels right to the local market.
